TODAY'S PERSONALIZED PICK

The Lion and the Clever Rabbit

Focuses on Cognitive Complexity Level 3: Strategic thinking and the triumph of wit over brute strength.

Start Story | Read Summary

STORY ILLUSTRATION

Curated for Aarav

View All

8 MIN

The Monkey and the Crocodile

A lesson on presence of mind and loyalty in friendship.

LEVEL 2

12 MIN

The Talkative Tortoise

Understanding the consequences of speaking at the wrong time.

LEVEL 1

10 MIN

The Blue Jackal

A cautionary tale about pretense and staying true to one's nature.

LEVEL 3

15 MIN

The Crane and the Crab

How quick thinking can save one from deceitful predators.

LEVEL 2

Explore Collections

Animal Wisdom | Moral Dilemmas | Vedic Values | Folk Tales | Leadership Lessons

"Deep within the dense foliage of the forest, the great Lion king sat in his cave, awaiting his daily offering. But today, the little Rabbit was running very late, hatching a clever plan in his mind."

GLOSSARY GLOW

Foliage

Plant leaves, collectively. Imagine the many layers of green leaves covering the trees in a thick forest.

Pronounced: foh-lee-ij

KNOWLEDGE CHECK

Moral Reasoning Hub

Let's reflect on the choices made by the characters in the story.

QUESTION 3 OF 5 60% COMPLETE

If the Lion had chosen to be kind instead of angry, how would the animals' response have changed?

A They would have feared him even more than before.

B **They would have respected him and stopped hiding away.**

C Nothing would have changed at all in the forest.

IKS CONCEPT: DHARMA

Righteous Conduct

In this story, Dharma is shown through the Rabbit's duty to protect his community using his wisdom.
